

NORTH SOCCER CLUB

COACHES & TEAM ADMINISTRATOR POLICY

The North Soccer Club requires that all Coaches, Head or Assistant, cannot coach any NSC teams without first completing the following requirements for insurance purposes, and to comply with MYSA requirements:

1. Register as a Coach on Sports Pilot
2. Complete the MYSA CORI Form
3. Receive a valid pictured Coaches' card

All of the above requirements are to be completed for each session. Coaches' cards are only required for outdoor BAYS games.

Team Administrators are required to register as such on Sports Pilot for each session.

It is the requirement of the North Soccer Club that all Head Coaches will possess at least the MYSA "G License" prior to the start of the session in which they will be coaching or agree to complete it prior to the first game of that session. The "G Course" for the license is offered both in class and on line and the fees are reimbursable by the club. Assistant coaches are encouraged but not required to be MYSA licensed.

Head Coaches have the authority to pick their own Assistants but they do need the approval of the appropriate Director (Boys or Girls).

Head Coaches are required to have their BAYS Picture card for all BAYS outdoor games or they will not be allowed to coach, and will be in jeopardy of forfeiting that game.

Team rosters will be provided to the coaches by the Club and they are final. No changes, substitutions, additions, or deletions are allowed. Exceptions apply as per the Indoor Alternates Policy. Coaches are not authorized to change team rosters. Please refer to the Roster & Roster Changes Policy for further details.

Coaches do not have to pay MYSA fees. The club will pay for any such fees. Coaches are volunteers and will not receive payment for their services, but may be reimbursed for approved out of pocket expenditures. Approved expenses are those that have been agreed upon by the club Board of Directors.
