

# **NORTH SOCCER CLUB**

## **INDOOR SOCCER ALTERNATE PLAYER POLICY**

In order to ensure proper insurance coverage the North Soccer Club has adopted the following policy regarding alternate players for indoor teams:

1. For indoor – alternates will be added to team's roster at the discretion of the board as needed.
2. Parents who do not want their children to serve as alternates for another indoor team for that season have the option to have their children removed from the list by informing anyone on the Club Board of their desire to do so.
3. Only properly rostered alternates can be used for games and should only be called upon when teams have less than three substitutes
4. The alternates are there to help out, not to substitute players on the regular roster. Other than step 4 above, additional alternates are to be called in extreme cases only such as inclement weather, illness, injury, etc.
5. All alternate players need to get an equal shot at playing. When they need to be called for consecutive games, new alternates must be called first. No alternates should play in consecutive weeks/games unless there are no other alternates available.
6. In the event alternate players must be used at any point for any reason, the requesting Coach/Team Administrator must call or e-mail the Director of Coach/Player Development or the Boys/Girls Director for approval, and must notify those alternates as soon as possible.

Failure to follow this procedure will place NSC players at risk and will be considered a violation of club policy.

Sincerely,

**NSC Board of Directors**
