

NORTH SOCCER CLUB

TOURNAMENT PLAY POLICY

Tournament play is highly encouraged by North Soccer Club, but not required. Tournaments allow for exposure to other teams and add to the competitive experience. The following are rules to be followed for any NSC team participating in a tournament (outdoor or indoor):

1. Only registered Club players may be members of NSC tournament teams.
2. Fees will be established by the Club on an annual basis, and must as minimum cover all expenses. They must be collected before play by the team Coach/Administrator and turned in to the Club Treasurer or any member of the board.
3. Each team's Coach/Administrator has to inform the tournament coordinator of their desire to play in a tournament. The Club will register each team in the tournament and will submit payment for that team.
4. Out of state play requires written permission from MYSA and the Board of Directors.
5. Patches will be provided by the Club for "patch tournaments".
6. Team rosters can change for tournament play as per following steps:
 - Two or more teams from the same age group are allowed to combine when not enough players can play, in order to create a roster large enough to play.
 - NSC Players are allowed to play in a tournament for more than one team, with priority assigned to their primary team they are rostered on, and there are no conflicts with the second team's schedule. In that case, players are required to ask and receive approval from their primary team's Coach.
 - Exceptions to above step can be granted on a case by case basis but must be approved by the board.
7. The Club Uniform Policy must be followed for every tournament. Special uniform requests may be submitted to the board for approval prior to the tournament start.

Failure to follow this procedure will be consider a violation of Club Policy.

Sincerely,

NSC Board of Directors
